Alastair Bonnett (Author of Unruly Places)

Our world is becoming stranger by the day—and Alastair Bonnett observes and captures every fascinating change. In *Beyond the Map*, Bonnett presents stories of the world's most extraordinary spaces—many unmarked on any official map—all of which challenge our assumptions about what we know—or think we know—about our world.

Alastair Bonnett - amazon.com

This introductory text provides students for the first time with an historical and international analysis of the development of anti-racism. Drawing on sources from around the world, the author explains the roots and describes the practice of anti-racism in Western and non-Western societies from Britain and the United States to Malaysia and Peru. Topics covered include:* the historical roots ...

But it is also, Alastair Bonnett believes, a spectacle which is imprinting itself on our hopes and anxieties. From a 'crannog', an ancient artificial island in a Scottish loch, to the militarized artificial islands China is building in the South China Sea, he sets out to explore some of the world's newest, most fragile and beautiful islands to find out why they have such a hold on our imaginations.
