Many books have subtitles. When including these, put a colon after the work's title and follow the same rules of composition capitalization for the subtitle. Example: The King's English: A Guide to Modern Usage. Note that A is capitalized because it is the first word of the subtitle.

**Capitalization | Punctuation Rules**

I know it's capitalization, and I think it might also be considered punctuation. But I've always assumed that something like that would not technically be a grammar mistake. I thought punctuation was completely separate from grammar, except perhaps in scenarios where a punctuation mark would changes the meaning of the words, like with "were ...
