Comparative Constitutional Law

Constitutional Law of South Africa remains the most comprehensive and useful commentary on the South African Constitution. It is simply indispensable for any legal practitioner, every legal academic and every court, and also for everyone whose work in some way involves interpretation and application of the Constitution.

Constitutional Law of South Africa - CLoSA

The Commentaries to the OECD's Model Tax Convention on Income and on Capital are at times consulted by South African courts when double taxation agreements are interpreted. The question considered in this article is the nature of the interaction, if any, between these Commentaries and section 233 of the Constitution of the Republic of South Africa, 1996.

The Interaction between Section 233 of the South African ...

South Africa's new constitutional ideals. This article examines the evolution of the Court and its use of in-ternational public law and foreign comparative law to interpret the Fundamental Rights included in the interim Constitution." With the character of jurisprudence transformed by the interjection of a new

The Constitutional Court of South Africa: Rights ...

The South African Constitution leaves the decision as to the manner in which a comparative interpretation is to be conducted to the courts. No criterion is provided instructing the court on how to select relevant foreign laws for consideration or establishing to what extent foreign laws may be used in deliberations and decisions. With such an open-ended authority, the use of foreign law could be tricky.

The Impact of Foreign Law on Domestic Judgments: South Africa

The South African Constitution's adoption mechanism was unique. As the text mentions, the South African Constitutional Court had to "certify" whether the document complied with thirty-four Constitutional Principles that were agreed upon by the major groups in South African society at the beginning of the Constitution drafting process.

South African Constitutional Court's Embrace of Socio ...

Mark Tushnet is the rare scholar who has made huge contributions to a number of different fields—from Critical Legal Studies to U.S. constitutional law and comparative constitutional law. And inevitably, he has been able to connect these fields and ways of thinking about law and constitutional government, as few other scholars have been willing or able to do.
