Here we will publish a number of books about the application, installation and development in Dynamics NAV and 365 Business Central. Each book will function as a independent book covering a topic and it can be used as either guide to the topic or as reference book. Along side, we will publish separate books with labs for the same topic.

Dynamics Book Store

For each depreciation book, you must set up how you want Dynamics NAV to handle various posting types. For example, whether posting should be debit or credit and whether the posting type should be included in the depreciable basis. Choose the icon, enter Depreciation Books, and then choose the related link.

Set Up FA Depreciation - Dynamics NAV App | Microsoft Docs

As a workaround i remember hitting the add more depreciation books button and then adding just 1 depreciation book. Reply Dirk Reeps responded on 4 Jul 2020 7:28 AM
