Ebook On The Boeing 737

The Boeing 737 Technical Guide is available as an eBook. For several years I had resisted requests to make an electronic version of the guide because to me the electronic version was the website... then I got an iPad of my own and changed my mind! The eBook was made by Lulu, the sellers of the book. Although the contents are the same, the layout is quite different from the book.

The Boeing 737 Technical Guide - eBook

The Boeing 737 is a short- to medium-range twinjet narrow-body airliner. Originally developed as a shorter, lower-cost twin-engined airliner derived from Boeing's 707 and 727, the 737 has developed into a family of ten passenger models with a capacity of 85 to 215 passengers. The 737 is Boeing's only narrow-body airliner in production, with the -700, -800, and -900ER variants currently being built.
