I dont think asking for or posting cracked software is allowed here. Im positive Fanuc would frown on that. Fanuc offers a 30 day trial of Roboguide, if you are having a problem contact Fanuc. You can find assistance here with your legit Roboguide software, but beyond that you will have to look elsewhere. Sorry I couldn't help more.

» Download Fanuc Roboguide V7 (Rev.G)

FANUC ROBOGUIDE is a robot simulator that simulates both the robot's motion and application commands, significantly reducing the time it takes to create new motion setups. To ensure minimal impact on production, cells can be designed, tested and modified entirely offline. To save 3-D modelling time, part models can be imported from a PC as ...

I don't know where you live but my company is based in France and FANUC been kinda nice to us. We were given 2 Roboguide license for free (including vision plug-in) after we purchased our first robot. I think it has more to do with which FANUC office you are dealing with than what type of customer you are.
