Living With The Adirondack Forest

Knott's excellent overview of the issues and perspectives of management and uses of the Adirondack forest draws upon this forest to frame the wider land-use debate taking place across the nation, especially in the Northwest. She explores the conflict that exists wherever logging occurs and the inevitable changing land use patterns that result.

Best Places to Live in Adirondack (zip 12808), New York

Having lived in the Adirondacks for over 12 year now, I can say that it is definitely not for the faint of heart. Winters are very long, harsh and cold (I still have over 18 inches of snow on the ground as I write this post) and the summers can be buggy and extremely busy with tourists and outdoor enthusiasts.

What is it like to live in the Adirondack mountains? - Quora

The vast Adirondack Park Forest Preserve is home to spruce, hemlock, beech and pine, as well as broad-leafed trees. In fall, visitors from around the world enjoy the spectacular fall foliage - a top attraction for leaf peepers. In spring and summer, alpine meadows, fields and forests burst into bloom.
