Volume 10 of the One Piece Magazine just recently came out, so here is all of the relevant information and cool things I could find from it! For starters, the Magazine features this tagline on its cover: "We recommend you reread One Piece in preparation for its climax!!", the first time (that I recall) official One Piece media referring to the ending of the series being in the near future.

If volume 89 of One Piece was the best one of new world so far, then volume 90 may be the most important. I think the volume title alone, Sacred Marijoo, says just what amount of world building there's going to be. This may have been the most broad scope lore One Piece has ever done and it's a treat from start to finish.
