Walker provided a large variety of problems of easy, medium, and hard difficulty (indicated by the number of dots next to each problem), and doing a large variety of problems was absolutely crucial with developing my confidence in the material. Some of the problems were quite fun, as they related the physics principle to an everyday application.

Test Bank For Physics (4th Edition) By James S. Walker
I'm a Physics major, and, although this is an algebra-based book, I still learned the most from this. It is the first Physics book I reach for when something needs clarification or I need to look up a formula. Walker's illustrations and explanations are clear and concise (with a few exceptions), and he covers almost every topic in Physics.
