On the other hand, you can also browse through news, features, archives & indexes and the inside story for information.

Sowing Seeds In The Desert

Sowing Seeds in the Desert, a summation of those years of travel and research, is Fukuoka's last major work-and perhaps his most important. Fukuoka spent years working with people and organizations in Africa, India, Southeast Asia, Europe, and the United States, to prove that you could, indeed, grow food and regenerate forests with very little irrigation in the most desolate of places.

Sowing Seeds in the Desert, his final book, is his plan to set a 'Second Genesis' in motion: a green revolution led by vegetables, grasses, and trees. Natural farming isn't just another 'method' but rather a way of thinking and living that goes beyond even organic farming.

Sowing Seeds in the Desert: Natural Farming, Global ...

Pre-formed seed starters (such as Jiffy pellets) work well, too. Plant your seeds at the depth listed on the seed packet. Most seeds can simply be gently pressed into the mixture; you can use the eraser end of a pencil to do so. When choosing which seeds to plant, choose the largest seeds in the packet for the best chance at germination.
