A barrister is a type of lawyer in common law jurisdictions. Barristers mostly specialise in courtroom advocacy and litigation. Their tasks include taking cases in superior courts and tribunals, drafting legal pleadings, researching the philosophy, hypothesis and history of law, and giving expert legal opinions.. Barristers are distinguished from solicitors, who have more direct access to ...

Barrister - Wikipedia

The General Council of the Bar, also called the Bar Council, is the representative body of barristers in England and Wales. It acts in matters of general concern to the profession and, through the independent Bar Standards Board, regulates the professional conduct of its members.

Barrister is a contracting company. You get individual contracts for warranty work as it comes in and is available. The more and better you do, the more often you will get it. The up-side is that once you are established, you can get pretty steady work and if you manage yourself well you can make it ok.

Working at Barrister: Employee Reviews | Indeed.com

He received his law degree in 2005 from the University of Missouri - Kansas City. While in law school, Andrew was the Chief Honor Court Prosecutor and a Trial Advocacy Scholar. He is a member of the Order of Barristers, a national distinction given to only ten members of his graduating class recognizing excellence in legal advocacy.
