The New California Wine | Saveur

Bonné's "New California Wine" is first a history from Prohibition to the present and the trends that drove it. In the 1970s, the Judgment of Paris established California wine as world-class. At the same time, "Brand California" developed, as cheap mass-produced wines were enabled by research at the University of California, Davis.

The New California Wine - Celebrations Wine Club

The New California Wine. View fullsize. The Broadside Cabernet Sauvignon, aged without new oak, shows an unexpected side of California, one born not out of Napa, but out of Paso Robles' Limestone soils. The limestone-derived soils give both the Cabernet Sauvignon and a more recently released Merlot the sort of freshness and depth of flavor at relatively low alcohol that shame many heftier efforts.
