Staff View: Writing studies research in practice

Writing studies researchers examine the ways in which writing serves to construct and perpetuate communities of practice -- academic disciplines, community groups, civic enterprises, or professions. These studies frequently combine multiple research methods, including textual analysis, ethnographic observation and interviews, discourse analysis, and statistical analysis.

Ph.D. Emphasis in Writing Studies | Writing Program - UC ...

A research proposal is a concise summary of your research paper. It creates the general idea of your research by highlighting the questions and issues you are going to address in your paper. For writing it, demonstrate the uniqueness of your research paper. This is the first draft that demonstrates your skills to conduct research.
